- Fast-acting; dries quickly

Spray or Fog

Healthy

Safe

Eco-Friendly

BENEFITS:

This product is safe to use in all types of environments. Use as a disinfectant in a spray (mist) form, or for industrial/commercial applications in a fogger for thorough coverage. Dr. Moe's Mist comes in different sizes including a travel/pocket size; perfect for when you are on the go and need to disinfect surfaces/car interiors/personal workspaces. Truly unlimited uses. Leaves no oily residue. Use wherever you would similar disinfecting products, but without the fear of harsh chemicals or artificial scents.

ABOUT DR. MOE:

Dr. Moe Mukibi is a well-known, published water expert and a passionate technology innovator who is recognized by American Water Association (AWA), World Health Organization (WHO) and International Water Association (IWA). Moe has obtained three degrees, a Bachelor of Science in Chemistry (BSc), and a Masters and Doctorate degree in Engineering (MS, PhD)-both from the University of Arizona. We honor his heritage by celebrating the Crested Crane on the label. It is the national bird of Uganda, which symbolizes beauty and elegance, and they love to dance!
